(1) The chief of the fire department or company of every city, village and town in which a fire department or company exists, and where no fire department or company exists, the city mayor, village president or town clerk shall investigate or cause to be investigated the cause, origin and circumstances of every fire occurring in his or her city, village or town by which property has been destroyed or damaged when the damage exceeds \$500, and on fires of unknown origin he or she shall especially investigate whether the fire was the result of negligence, accident or design. Where any investigation discloses that the fire may be of incendiary origin, he or she shall report the same to the state fire marshal.

(2) The department of justice shall supervise and direct the investigation of fires of incendiary origin when the state fire marshal deems the investigation expedient.

(3) When, in the opinion of the state fire marshal, investigation is necessary, he or she shall take or cause to be taken the testimony on oath of all persons supposed to be cognizant of any facts or to have any means of knowledge in relation to any case of damage to property by fire or explosives. If the state fire marshal is of the opinion that there is evidence sufficient to charge any person with a crime under s. 941.11, 943.01, 943.012, 943.013, 943.02, 943.03 or 943.04 or with an attempt to commit any of those crimes, he or she shall cause the person to be prosecuted, and furnish the prosecuting attorney the names of all witnesses and all the information obtained by him or her, including a copy of all testimony taken in the investigation.

(10) The state fire marshal, deputy state fire marshals or chiefs of fire departments shall apply for and obtain special inspection warrants prior to the inspection or investigation of personal or real properties which are not public buildings or for the inspection of portions of public buildings which are not open to the public for the purpose of determining the cause, origin and circumstances of fires either upon showing that consent to entry for inspection purposes has been refused or upon showing that it is impractical to obtain the consent. The warrant may be in the form set forth in s. 66.0119 (3). The definition of a public building under s. 101.01 (12) applies to this subsection. No special inspection warrant is required:

(13) Any officer named in subs. (1) and (2) who neglects to comply with any of the requirements of this section shall be fined not less than \$25 nor more than \$200 for each neglect or violation.

(14) The state fire marshal, any deputy fire marshal, any fire chief or his or her designee may require an insurer, including the state acting under ch. 619, to furnish any information in its possession relating to a fire loss involving property with respect to which a policy of insurance issued or serviced by the insurer may apply. Any insurer, including the state, may furnish to the state fire marshal, any deputy fire marshal, any fire chief or designee information in its possession relating to a fire loss to which insurance issued by it may apply. In the absence of fraud or malice, no insurer furnishing information under this subsection, state fire marshal, deputy fire marshal, fire chief or designee, and no person acting on behalf of the insurer, state fire marshal, deputy fire marshal, fire chief or designee, shall be liable in any civil or criminal action on account of any statement made, material furnished or action taken in regard thereto. Information furnished by an insurer under this subsection shall be held in confidence by the state fire marshal, deputy fire marshal, fire chief or designee and all subordinates until release or publication is required pursuant to a civil or criminal proceeding. Information obtained by the state fire marshal, any deputy fire marshal, fire chief or designee during their investigations of fires determined to be the result of arson may be available to the insurer of the property involved.

(15) The state fire marshal, any deputy fire marshal, any fire chief, or his or her designee may obtain information relating to a juvenile from a law enforcement agency, a court assigned to exercise jurisdiction under chs. 48 and 938 or an agency, as defined in s. 938.78 (1), as provided in ss. 938.396 (1) (c) 8. and (2g) (j) and 938.78 (2) (b) 1. and may obtain information relating to a pupil from a public school as provided in ss. 118.125 (2) (ch) and (L) and 938.396 (1) (d).

The state fire marshal must establish proper discretionary reasons for exercising the privilege of secrecy under sub. (8). *Black v. General Electric Co.* 89 Wis. 2d 195, 278 N.W.2d 224 (Ct. App. 1979).

Under *Michigan v. Tyler*, the warrantless search of an entire building on the morning after a localized fire was reasonable as it was the continuation of the prior night's investigation that had been interrupted by heat and nighttime circumstances. *State v. Monosso*, 103 Wis. 2d 368, 308 N.W.2d 891 (Ct. App. 1981).

Arson investigations under subs. (9) and (10) are subject to search warrant requirements set forth in *Michigan v. Tyler*. Consent to search is discussed. 68 Atty. Gen. 225.

A burning building clearly presents an exigency rendering a warrantless entry reasonable, and fire officials need no warrant to remain in a building for a reasonable time to investigate the cause of the fire after it is extinguished. *Michigan v. Tyler*, 436 U.S. 499 (1978).

165.60 Law enforcement. The department of justice is authorized to enforce ss. 101.123 (2), (2m), and (8), 175.60 (17) (e), 944.30 (1m), 944.31, 944.33, 944.34, 945.02 (2), 945.03 (1m), and 945.04 (1m) and ch. 108 and, with respect to a false statement submitted or made under s. 175.60 (7) (b) or (15) (b) 2. or as described under s. 175.60 (17) (c), to enforce s. 946.32 and is invested with the powers conferred by law upon sheriffs and municipal police officers in the performance of those duties. This section does not deprive or relieve sheriffs, constables, and other

local police officers of the power and duty to enforce those sections, and those officers shall likewise enforce those sections.

(g) Has been required by a court under s. 51.20 (13) (cr), 938.34 (15), 971.17 (1m) (a), 973.047, or 980.063 to provide a biological specimen to the state crime laboratories for deoxyribonucleic acid analysis.

(h) Is notified by the department of justice, the department of corrections, a district attorney, or a county sheriff under sub. (1m) that the person is required to provide a biological specimen.

(1m) If a person is required to provide a biological specimen under sub. (1) (a) to (g) and the department of justice does not have the data obtained from analysis of a biological specimen from the person that the department is required to maintain in the data bank under s. 165.77 (3), the department may require the person to provide a biological specimen, regardless of whether the person previously provided a biological specimen under this section or s. 51.20 (13) (cr), 938.34 (15), 971.17 (1m) (a), 973.047, or 980.063. The department of justice, the department of corrections, a district attorney, or a county sheriff, shall notify any person whom the department of justice requires to provide a biological specimen under this subsection.

(2m) Unless otherwise provided by rule under sub. (4), a person who is required to provide a biological specimen under sub. (1) shall provide the biological specimen at the following time and place:

(a) If the person has been placed on probation by a court in this state, as soon as practicable after placement at the office of a county sheriff, except, if directed otherwise by the person's probation, extended supervision, and parole agent, then as directed by the agent.

(b) If the person has been on probation, parole, or extended supervision in this state from another state and the department of corrections directs the person to provide a biological specimen, as soon as practicable after placement at the office of a county sheriff, except, if directed otherwise by the person's probation, extended supervision, and parole agent, then as directed by the agent.

(c) If the person has been placed on supervision as a juvenile, as soon as practicable after placement at the office of a county sheriff, except, if directed otherwise by the agency providing supervision, then as directed by the agency.

(d) If the person has been sentenced to prison, while in prison as directed by the department of corrections; and if the person does not provide the biological sample while in prison, then as soon as practicable after release from the prison at the office of a county sheriff, except, if directed otherwise by his or her probation, parole, and extended supervision agent, then as directed by the agent.

(e) If the person has been placed in a juvenile correctional facility or a secured residential care center for children and youth, while in the facility or center as directed by the department of corrections; and if the juvenile does not provide the biological specimen while in the facility or center, then as soon as practicable after release from the facility or center, at the office of a county sheriff, except, if directed otherwise by the agency providing supervision, then as directed by the agency.

(f) If the person has been sentenced to a county jail or county house of corrections, as directed by the office of the county sheriff as soon as practicable after sentencing; and if the person does not provide the biological specimen while in the county jail or county house of corrections, as soon after release from the county jail or county house of corrections as practicable, at the office of a county sheriff.

(g) If the person has been committed to the department of health services under s. 51.20 or 971.17 or found to be a sexually violent person under ch. 980, as directed by the department of health services.

(h) If pars. (a) to (g) do not apply, as soon as practicable after the obligation to provide a biological specimen accrues at the office of a county sheriff, except, if directed otherwise by the agent or agency providing supervision or having legal or physical custody of the person.

(2r) Failure by a person who is required to provide a biological specimen under sub. (1) to provide the biological specimen at the time and place provided under sub. (2m) does not relieve the person of the obligation to provide a biological specimen to the state crime laboratories for deoxyribonucleic acid analysis.

(3) Notwithstanding sub. (1), if a county sheriff, the department of corrections, or the department of health services determines that a person who is required to submit a biological specimen under sub. (1) has submitted a biological specimen and that data obtained from analysis of the person's biological specimen is included in the data bank under s. 165.77 (3), the person is not required to submit another biological specimen.

(4) The department of justice may promulgate rules to implement this section.

(5) The departments of corrections and health services, county departments under ss. 46.215, 46.22 and 46.23 and county sheriffs shall cooperate with the department of justice in obtaining specimens under this section.

(6) (a) If a person who is required to provide a biological specimen under sub. (1) refuses or fails to provide a biological specimen, a district attorney may file a petition with the circuit court for an order compelling the person to provide a biological specimen to the state crime laboratories for deoxyribonucleic acid analysis. A petition under this paragraph shall establish reasonable cause to believe that the person is required to provide a biological specimen under sub. (1) and that the person's biological specimen is not included in the data bank under s. 165.77 (3).

(b) If the court determines that a district attorney's petition satisfies the conditions under par. (a), the court shall issue an order requiring the person to appear in court at a specified time for a hearing to show cause why he or she is not required to provide a biological specimen under sub. (1) or, instead of appearing at the hearing, to provide a biological specimen at the office of the county sheriff before the time for which the hearing is scheduled. The hearing shall be scheduled for not less than 10 and not more than 45 days after the date the court enters the order. The order, together with a copy of the petition and any supporting material, shall be served upon the person in the manner provided for serving a summons under s. 801.11. The order shall be in substantially the following form:

When officers make an arrest supported by probable cause for a serious offense and bring the suspect to the station to be detained in custody, taking and analyzing a cheek swab of the arrestee's DNA is, like fingerprinting and photographing, a legitimate police booking procedure that is reasonable under the 4th amendment. In the context of a valid arrest supported by probable cause, the arrestee's expectations of privacy were not offended by the minor intrusion of a brief swab of his cheeks for DNA. That same context of arrest gives rise to significant state interests in identifying respondent not only so that the proper name can be attached to his charges but also so that the criminal justice system can make informed decisions concerning pretrial custody. Upon these considerations, DNA identification of arrestees is a reasonable search that can be considered part of a routine booking procedure. *Maryland v. King*, 569 U.S. ___, 133 S. Ct. 1236 185 L. Ed. 2d 171, (2013).

c. At least one year has passed since the arrest and the person has not been charged with a violent crime in connection with the arrest.

d. The person was adjudged guilty of a violent crime in connection with any charge for which the person was required to provide a biological specimen under s. 165.84 (7) or 970.02 (8), and

all such convictions for a violent crime have been reversed, set aside, or vacated.

3. If the person was required to provide a biological specimen under s. 165.84 (7) in connection with being taken into custody under s. 938.19 or under s. 938.21 (1m) or 938.30 (2m), one of the following applies:

d. The person was convicted or adjudged delinquent for a violation that would be a violent crime if committed by an adult in this state and that is in connection with the taking into custody, and the conviction or delinquency adjudication has been reversed, set aside, or vacated.

(bm) If the department determines that the conditions under par. (am) are satisfied, the laboratories shall purge all records and identifiable information in the data bank pertaining to the person and destroy all samples from the person upon receiving the person’s written request for expungement and any documentation the department requires under rules promulgated under sub. (8).

NOTE: Sub. (4) is shown as amended eff. 4–1–15 by 2013 Wis. Acts 20 and 214. Prior to 4–1–15 it reads:

(4) A person whose deoxyribonucleic acid analysis data has been included in the data bank under sub. (3) may request expungement on the grounds that his or her conviction or adjudication has been reversed, set aside or vacated. The laboratories shall purge all records and identifiable information in the data bank pertaining to the person and destroy all samples from the person if it receives all of the following:

(a) The person’s written request for expungement.

(b) A certified copy of the court order reversing, setting aside or vacating the conviction or adjudication.

(5) Any person who intentionally disseminates a specimen received under this section or any information obtained as a result of analysis or comparison under this section or from the data bank under sub. (3) in a manner not authorized under this section or the rules under sub. (8) may be fined not more than \$500 or imprisoned for not more than 30 days or both.

(6) Except as necessary to administer this section or as provided under the department’s rules under sub. (8), the department shall deny access to any record kept under this section.

(8). The laboratories shall perform, in a timely manner, deoxyribonucleic acid analysis of specimens provided by law enforcement agencies under sub. (2). The laboratories shall not include data obtained from deoxyribonucleic acid analysis of those specimens in the data bank under sub. (3).

(7m) An entry in the data bank that is found to be erroneous does not prohibit the legitimate use of the entry to further a criminal investigation or prosecution. The failure of a law enforcement agency or the laboratories to comply with this section, s. 165.76, 165.765, or 165.84, or any rules or procedures adopted to administer those sections, is not grounds for challenging the validity of the data collection, for challenging the use of the sample as provided

in those sections, or for the suppression of evidence based upon or derived from any entry in the data bank.

165.79 Evidence privileged. **(1)** Evidence, information and analyses of evidence obtained from law enforcement officers by the laboratories is privileged and not available to persons other than law enforcement officers nor is the defendant entitled to an inspection of information and evidence submitted to the laboratories by the state or of a laboratory's findings, or to examine laboratory personnel as witnesses concerning the same, prior to trial, except to the extent that the same is used by the state at a preliminary hearing and except as provided in s. **971.23**. Upon request of a defendant in a felony action, approved by the presiding judge, the laboratories shall conduct analyses of evidence on behalf of the defendant. No prosecuting officer is entitled to an inspection of information and evidence submitted to the laboratories by the defendant, or of a laboratory's findings, or to examine laboratory personnel as witnesses concerning the same, prior to trial, except to the extent that the same is used by the accused at a preliminary hearing and except as provided in s. **971.23**. Employees who made examinations or analyses of evidence shall attend the criminal trial as witnesses, without subpoena, upon reasonable written notice from either party requesting the attendance.

(2) Upon the termination or cessation of the criminal proceedings, the privilege of the findings obtained by a laboratory may be waived in writing by the department and the prosecutor involved in the proceedings. The employees may then be subpoenaed in civil actions in regard to any information and analysis of evidence previously obtained in the criminal investigation, but the laboratories shall not engage in any investigation requested solely for the preparation for trial of a civil matter. Upon appearance as a witness or receipt of a subpoena or notice to prepare for trial in a civil action, or appearance either with or without subpoena, the laboratories shall be compensated by the party at whose request the appearance or preparation was made in a reasonable amount to be determined by the trial judge, which fee shall be paid into the state treasury. In fixing the compensation the court may give consideration to the time spent in obtaining and analyzing the evidence for the purposes of criminal proceedings.

History: 1977 c. 260; 1979 c. 221; 1981 c. 20; 1983 a. 459; 1985 a. 29, 267; 1995 a. 387.

Whether to grant a defendant's request under sub. (1) that the crime lab perform tests on the defendant's behalf is a discretionary decision. *State v. Lee*, 192 Wis. 2d 260, 531 N.W.2d 351 (Ct. App. 1995). But see also *State v. Lee*, 197 Wis. 2d 960, 542 N.W.2d 143 (1996).

Under the facts of the case, the privilege in sub. (1) did not prevent the defendant from obtaining evidence he was entitled to under s. **971.23** when he received the physical evidence that the state intended to offer at trial and a copy of the crime lab report and was granted permission to submit the evidence for testing by his own expert. The defendant was entitled to examine the crime lab analyst at trial but not at an evidentiary hearing. *State v. Fraszczak*, 2002 WI App 141, 256 Wis. 2d 68, 647 N.W.2d 396, 01–1393.

Cross-examination of a highly qualified witness who is familiar with the procedures used in performing the tests whose results are offered as evidence, who supervises or reviews the work of the testing analyst, and who renders his or her own expert opinion is sufficient to protect a defendant's right to confrontation, despite the fact that the expert was not the person who performed the mechanics of the original tests. *State v. Williams*, 2002 WI 58, 253 Wis. 2d 99, 644 N.W.2d 919, 00–3065.

Under *Crawford*, 541 U.S. 36, analysts' affidavits that certified that evidence was in fact cocaine were testimonial statements, and the analysts were "witnesses" for purposes of the 6th amendment confrontation clause. Absent a showing that the analysts were unavailable to testify at trial and that petitioner had a prior opportunity to cross-examine them, petitioner was entitled to be confronted with the analysts at trial. *Melendez-Diaz v. Massachusetts*, 557 U.S. 305, 174 L. Ed. 2d 314, 129 S. Ct. 2527 (2009).

If the department returns the evidence to the submitting officer or agency, any action taken by the officer or agency with respect to the evidence shall be in accordance with s. 968.20. Except as provided in sub. (3), whenever the department receives information from which it appears probable that the evidence is no longer needed, the department may give written notice to the submitting agency and the appropriate district attorney, by registered mail, of the intention to dispose of the evidence. If no objection is received within 20 days after the notice was mailed, it may dispose of the evidence.

(b) Except as provided in par. (c), if physical evidence that is in the possession of the laboratories includes any biological material that was collected in connection with a criminal investigation that resulted in a criminal conviction, a delinquency adjudication, or commitment under s. 971.17 or 980.06 and the biological material is from a victim of the offense that was the subject of the criminal investigation or may reasonably be used to incriminate or exculpate any person for the offense, the laboratories shall preserve the physical evidence until every person in custody as a result of the conviction, adjudication, or commitment has reached his or her discharge date.

(bm) The laboratories shall retain evidence to which par. (b) applies in an amount and manner sufficient to develop a deoxyribonucleic acid profile, as defined in s. 939.74 (2d) (a), from the biological material contained in or included on the evidence.

(c) Subject to par. (e), the department may destroy evidence that includes biological material before the expiration of the time period specified in par. (b) if all of the following apply:

3. No other provision of federal or state law requires the department to retain the evidence.

(d) A notice provided under par. (c) 1. shall clearly inform the recipient that the evidence will be destroyed unless, within 90 days after the date on which the person receives the notice, either a motion for testing of the evidence is filed under s. 974.07 (2) or a written request for retention of the evidence is submitted to the department.

(e) If, after providing notice under par. (c) 1. of its intent to destroy evidence, the department receives a written request for retention of the evidence, the department shall retain the evidence until the discharge date of the person who made the request or on whose behalf the request was made, subject to a court order issued

under s. 974.07 (7), (9) (a), or (10) (a) 5., unless the court orders destruction or transfer of the evidence under s. 974.07 (9) (b) or (10) (a) 5.

(f) Unless otherwise provided in a court order issued under s. 974.07 (9) (a) or (b) or (10) (a) 5., nothing in this subsection prohibits the laboratories from returning evidence that must be preserved under par. (b) or (e) to the agency that submitted the evidence to the laboratories. If the laboratories return evidence that must be preserved under par. (b) or (e) to a submitting agency, any action taken by the agency with respect to the evidence shall be in accordance with s. 968.205.
